Plantsville, CT 06479

Dear Friends:

Please accept my congratulations as the Polish Genealogical Society of Connecticut and the Northeast (PGSCTNE) marks its 25th anniversary. It is a privilege to have you celebrate this important milestone here in New Britain at Central Connecticut State University. We share your pride in Polish heritage here in our community which is shown through the Endowed Chair of Polish and Polish-American Studies here at CCSU as well as the many traditional Polish cultural and religious events held in our City by our thriving Polish-American residents and businesses.

The thousands of Connecticut residents of Polish ancestry are fortunate to have the PGSCTNE to assist with researching family histories here in the United State and Poland to recapture their heritage. For the past twenty-five years, the genealogical research and translation services provided by the PGSCTNE has forged an important link between the present and the past for countless families.

Again, congratulations on twenty-five years of outstanding service in the preservation of the Polish heritage by the Polish Genealogical Society of Connecticut and the Northeast and I wish you many more years of continued success as an organization.

Sincerely,

A handwritten signature in black ink, appearing to read "Timothy T. Stewart".
